SUBJECT: Guidelines, 6-Month Strategic Roadmap, and Multi-Cadre Mobilization Directive for ensuring 5,000+ participation and historic success of the 1-Day 'National Healthcare Mahakumbh 2027' at Talkatora Indoor Stadium, New Delhi on April 18, 2027, with the unified resolution for the enactment of the 'National Healthcare Professionals Protection Act' covering all healthcare cadres (Nursing, Allied Healthcare, Pharmacists, AYUSH, Primary Healthcare Centers, Paramedics, and Frontline Health Workers)

1. Executive Overview & Supreme National Agenda

The National Governing Council of the National Allied and Healthcare Professional Association (NAHPA) has adopted a historic, all-inclusive resolution. To fortify the country's entire healthcare delivery ecosystem and uphold the dignity, safety, service rights, and complete legal protection from workplace violence for every pillar of the medical sector—Doctors, Nursing Staff, Allied Healthcare Professionals, Pharmacists, AYUSH Practitioners, Laboratory & Diagnostic Specialists, Paramedics, and Frontline Health Workers—the supreme national agenda of this Mahakumbh shall be the enactment and strict implementation of a robust central 'National Healthcare Professionals Protection Act' across the nation.

The grand one-day 'National Healthcare Mahakumbh-2027' scheduled for Sunday, April 18, 2027, at Talkatora Indoor Stadium, New Delhi, is being convened as a landmark joint platform uniting all healthcare cadres and citizens. To ensure the unprecedented participation of 5,000+ multi-cadre healthcare experts, researchers, students, and stakeholders, the following cadre responsibilities, 6-month strategic roadmap, and key event agendas are enforced with immediate effect.

2. Cadre Mobilization & Key Responsibilities of Office Bearers

- **State / Provincial Presidents & General Secretaries:** Convene joint coordination meetings at the state level with the Indian Medical Association (IMA), State Nursing Councils, Pharmacy Associations, Allied Health Associations, and AYUSH bodies. Ensure the mobilization and confirmed physical presence of a 250–300 member joint representative delegation (Doctors, Nurses, Allied Professionals, Pharmacists, and Paramedics) from each respective State/UT at Talkatora Stadium, New Delhi.
- **District Coordinators & Zonal Heads:** Unite healthcare workers across all cadres from government hospitals, private hospitals, nursing homes, and diagnostic centres. Organize joint workplace safety resolution assemblies, submit comprehensive multi-cadre memorandums demanding the Healthcare Protection Act to local Members of Parliament (MPs), and manage collective travel logistics for the New Delhi delegation.
- **Academic & Healthcare Educational Institutions Cell:** Lead the 'Safe Healthcare Worker – Healthy India' outreach drive across 200+ Medical Colleges, Nursing Institutes, Pharmacy Colleges, and Paramedical Institutions nationwide. Drive centralized student/intern registrations, targeting 2,000+ MBBS, BDS, B.Sc Nursing, B.Pharm, BPT, BMLT, and Allied/Paramedical trainees.

Legal, Policy & National Drafting Committee: Draft the definitive 'National Healthcare Professionals Protection Act Joint White Paper & Draft Bill' to be formally presented to the Union Government at the Mahakumbh. The draft must rigorously encompass

- **Media, Public Relations & Mass Outreach Cell:** Spearhead nationwide digital signature campaigns, mainstream media coverage, press briefings, and community health awareness initiatives under the central theme: 'Protection of Healthcare Workers is the Security of the Nation'.

A structured month-by-month operational plan to achieve the target of 5,000+ multi-cadre delegates and nationwide consensus:

Month / Period	Strategic Phase & Goal	Cadre Campaigns & Operational Activities	Cumulative Target
October 2026	National Multi-Cadre Launch	Release of Official Directive; Unveiling of Protection Act Draft Outline; Launch of Central Registration Portal; Formation of Joint Doctor-Nurse-Allied-Pharma Action Committee.	100% Units Activated
November 2026	Campus Outreach Mega-Drive	Outreach across 200+ Medical, Nursing, Pharmacy, Allied & AYUSH Colleges; Appointment of 150+ Campus Ambassadors; Joint Student & Resident Registration Drive.	1,200+ Delegates
December 2026	Hospital Chains & Public Outreach	Signing MoUs with Government & Private Hospital Associations; Announcement of Mega Free Multi-Speciality Public Health Camp to foster community solidarity.	2,200+ Delegates
January 2027	Parliamentary Outreach & National Expo	Nationwide submission of Protection Act Memorandums to MPs; Allocation of Pharma & Medical Device Expo booths; Opening of National Healthcare Excellence Awards nominations.	3,400+ Delegates
February 2027	National Media & Public Awareness	Joint National Press Conference in New Delhi by all healthcare associations; Digital campaign rollout: 'Safe Doctor, Safe Health Worker – Safe India'.	4,400+ Delegates
March 2027	Final Preparations & VIP Coordination	Talkatora Stadium venue inspection; Dispatch of formal invitations to Union Health Minister, Commission Chairpersons & Medical Leaders; Issuance of 5,000 Delegate Passes.	5,000+ Target

- **Presentation of National Healthcare Professionals Protection Act Joint Draft Bill:** Formal presentation of the historic charter and legislative draft to the Union Government, demanding non-bailable penal provisions against workplace violence, 24x7 security infrastructure, and comprehensive legal protection for doctors, nurses, allied professionals, pharmacists, and paramedics.
- Apex National Conclave with Union Ministers & Policy Makers:** Special high-level deliberation sessions featuring leadership from the Ministry of Health & Family Welfare, NITI Aayog, National Medical Commission (NMC), Indian Nursing Council (INC), National Commission for Allied and Healthcare Professions (NCAHP), and Pharmacy Council of India (PCI).

- **National Healthcare Service Excellence Awards 2027 (Rashtriya Swasthya Seva Gaurav Puraskar):** Grand national felicitation of 600+ outstanding clinicians, nursing officers, allied healthcare specialists, pharmacists, and paramedics honoring exemplary dedication, healthcare innovation, and community service.
- **Grand Cultural Evening & Healthcare Safety Street Play (Nukkad Natak):** Inspiring theatrical and cultural performances dedicated to the selfless service and trials of the healthcare workforce, featuring prominent cultural artists and medical fraternity performers.
